ARTICLE I MEMBERSHIP AND VOTING RIGHT IN THE ASSOCIATION

Section 1. General Purposes of Association.

The Association is organized for the purpose of providing common services to the Lot Owners; owning and maintaining landscaping and lighting on the Common Areas; maintaining the drainage easements, Conservation Areas, Common Areas, surface water and/or stormwater management systems; providing enforcement of these covenants and restrictions; and engaging in activities for the mutual benefit of the Owners. In order to pay for these services, the Association will charge assessments against the Lots and their Owners. A Lot may be subject to lien for any unpaid assessments, but additionally each Owner is personally obligated for assessments coming due during the time such Owner owns the Lot. The functions of the Association shall be performed by a Board of Directors. Provisions relating to the Association and the Board of Directors are also contained in the Articles of Incorporation and By-Laws of the Association.

Section 2. Lot Owner Membership.

Every Owner of a platted Lot shall be a member of the Association upon acquiring title to the Lot. There shall be a one time initiation fee of \$250.00 per Lot, payable to the Association at the time a Lot is conveyed to its initial owner. Each subsequent Lot Owner may reimburse the previous owner the initiation fee that was paid at the time of the initial lot acquisition.

Membership shall be appurtenant to and may not be separated from ownership of any Lot. The initiation fee may be increased from year to year after December 31, 2004 in the same manner and amount as annual assessments may be increased pursuant to Article V, Section 5.

Section 3. Classification of Membership.

The Homeowners Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owner. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot. Class A members shall also include all owners, with the exception of the Declarant, of lots in additional phases if additional phases are subjected to these restrictions as elsewhere provided in the Declaration.

Class B. The Class B members shall be the Declarant or successor developer and shall be entitled to nine (9) votes for each Lot owned (to include each owned lot in additional phases if additional phases are subjected to these restrictions as elsewhere provided in the Declaration). The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) 3 months after 90% of the residential lots in all phases of the subdivision have been conveyed by the developer (or successor developer) to members (excluding conveyances to builders, contractors, or others who purchase a parcel for the purpose of construction improvements thereon, for resale), or
- (b) Upon the election of the Declarant or successor Developer or
- (c) January 1, 2008

Section 4. Membership Vote.

Voting will be allowed by written mailed-in ballot on all issues that require a vote by the full Association. The maximum number of votes that may be cast is the sum of all votes held by qualified Class A members and the Class B member either present in person or by written proxy at the time the vote is taken at a meeting, or by actual recorded ownership of platted lots if by certified written ballot. The number of votes needed for a quorum on any vote in person or by written ballot of the Association shall be a minimum of 30% of the sum of all the votes held by qualified Class A members and Class B members for any ballot to be valid. The Committee shall notify the Lot Owner, in writing, within 15 days of receipt of all required evidence, of the Committee's approval or disapproval of any project. A fine of \$50.00 per occurrence shall be assessed against the Lot and shall accrue with interest as provided in Article VI until the fine is paid and approval is obtained or improvements corrected to comply with an approval given. If after 60 (sixty) days from the date the first fine is assessed and the non-compliance has not been corrected, the Committee may re-assess the \$50.00 fine as a second occurrence of the same violation and may continue to do so every 120 days until the violation has been corrected.

ARTICLE V
COVENANT FOR ASSESSMENTS

Section 1. Assessments.

(a) All Lots shall be subject to annual and special assessments as herein provided in order to fund the costs of fulfilling the purposes of the Association. In the event of a conveyance, the grantee is jointly and severally liable with the grantor for all assessments outstanding against the grantor and subject Lot, without prejudice to any right the grantee may have to recover from the grantor any amounts paid by the grantee. Each Lot Owner is deemed to covenant and agree by acceptance of a deed to a Lot to pay all assessments and no Lot Owner may waive or avoid responsibility for payment of any assessment by not using his Lot or the Common Areas or by disputing the purpose of the assessment or for any other reason; provided however, that no Lot while owned by the Developer shall be subject to either annual or special assessments. The Developer hereby obligates itself to pay any operating expenses that exceed assessments received from the members and other income sources of the Association. This obligation shall terminate when the Developer no longer controls the Association. This payment of current expenses may be in the form of a loan at a rate of 7% to the Association from the Developer for which he may be reimbursed.

(b) Both annual and special assessments must be fixed at a uniform rate per Lot subject to assessments and may be collected monthly, quarterly or annually as determined by the Board of Directors. As to any individual Lot or Lot Owner who has not paid an assessment when due or is in violation of these Covenants and Restrictions, however, the amount of the assessment outstanding shall be increased by interest, late charges, costs, fines, damages and attorneys fees, as referenced throughout this Declaration.

Assessments shall also be used for the maintenance and repair of the surface water or stormwater management systems including but not limited to work within retention areas, drainage structures and drainage easements.

Section 2. Annual Assessments.

The Association shall fix the amount and the due date of the annual assessment. Initially, annual assessments shall be payable in one annual installment, payable when the Owner takes title and prorated from that date to the end of the fiscal year. The title company shall forward the proceeds of the prorated annual assessment to the Homeowners Association. The Association shall notify the Owners of each Lot of the amount, the date on which the assessments are payable, and the place of payment.

Section 3. Date of Commencement of Annual Assessments.

The annual assessments for each Lot shall be payable upon conveyance of that Lot to a Class A Member, and at the beginning of each fiscal year of the Association thereafter.

Section 4. Special Assessments.

The Association may levy a special assessment to pay in whole or in part for the cost of any shortfall in the annual budgeted operating revenues, or for any repair or replacement of an existing capital improvement, or for the construction/acquisition of a new capital improvement, without concurrence of the Owners unless the cost of such repair/replacement/acquisition/construction is major. "Major" as referenced herein shall be defined to mean that the amount of the proposed special assessment per Owner, plus any other special assessments levied during that same fiscal year exceeds 50% of the then current year's annual assessment.

Major capital improvements shall require the special assessment to be approved by a majority of a minimum of 30% of the membership.

The Association may also levy special assessments without limitation or the concurrence of any Owner to pay for the cost of maintenance or enforcement of these covenants and restrictions with regard to specific lots; any such assessment shall be levied against the owner of such lot. Special assessments shall be payable at such time and place determined by the Association and stated in the assessment notice.

Section 5. Maximum Annual Assessment.

Until January 1, 2004, the annual assessment shall be \$350.00 per Lot, exclusive of individual yard maintenance expense which shall be payable on a monthly basis.

(a) From and after January 1, 2004, the annual assessment shall be set by the Association and may be increased each year by up to ten (10%) percent above the maximum allowable assessment for the previous year without a vote of membership. "Maximum allowable assessments" as referred to herein shall be calculated by assuming a cumulative 10% increase per year from and after the year 2004.

(b) From and after January 1, 2004, the maximum annual assessment may be increased by more than said ten (10%) percent only by a majority vote of those needed for a quorum of 30% of each class of members who are voting. The vote should be by written ballot mailed to each owner 30 days after their receipt of written notification that a vote will be taken on the proposed increase in assessment.

Section 6. Common Area Tracts benefiting Monterey Cove, located within Bayside Lakes Commercial Center.

The Association shall be responsible for its proportionate share of the cost of maintaining particular recreation and landscape tracts located within the plat of Bayside Lakes Commercial Center, Phases One and Two. The Bayside Lakes Commercial Center Property Owners Association, Inc. shall be responsible for the maintenance and repair of said tracts, and shall assess Monterey Cove at Bayside Lakes Homeowners Association, Inc. for its proportionate share of said expense. Said maintenance shall include the mowing and maintaining of trees within the right-of-ways of Eldron Boulevard and Bayside Lakes Boulevard, Signage Tracts for Bayside Lakes, community signs and fixtures, parks and recreation areas for Bayside Lake residents, and common area security for Bayside Lakes residents.

The Recreation Area (Tract R-1) and the Right of Way known as Eramblewood Circle shown on the plat of Monterey Cove or the plat of Magnolia Park are dedicated to the Bayside Lakes Commercial Center Property Owners Association for ownership and maintenance. Said tracts and Right-of-way shall be included in the maintenance and repair by Bayside Lakes Commercial Center Property Owners Association.

ARTICLE VI
ENFORCEMENT PROVISIONS

Section 1. Creation of Lien for Assessments.

(a) Assessments, including any increases in same due to interest, late charges, costs, fines, damages and attorney fees, shall be a charge upon each Lot and a continuing lien thereon until paid. Said charge shall also apply to those assessments outlined in Article V, Section 6. The lien will become effective from the after recording a Claim of Lien in the Public Records of Brevard County, Florida, stating the Lot description, the name of the record Owner, the amount due, and the due date. The lien will remain in effect until all sums due to the Association have been fully paid and the Association is hereby authorized to take any and all actions provided in law or equity to collect such sums. Any payment received by the Association from that payor shall first be applied to any interest accrued, any outstanding penalties and costs, reasonable attorney's fees incurred in collection, and then to the outstanding assessment. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment.

(b) All Lots shall be sold subject to the terms and provisions of the continuing lien described in this paragraph. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specific Lot have been paid. A properly executed Certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 2. Effect of Non-Payment of Assessment: Remedies of the Association.

Any assessment not paid within 30 days after the due date shall accrue an administrative late charge of \$25.00 or 5% of the amount due, whichever is greater, plus interest beginning 30 days from the due date at the rate of 18% per annum (or highest allowable rate) until paid. The Association may bring an action against the Owner of the Lot personally for payment of the assessment and may enforce its lien for the assessment by foreclosure or any other means available under the law. The Association may waive payment of late charges and interest on any assessment, but may not waive payment of the assessment. In an action to enforce collection of any assessments, the prevailing party shall be entitled to recover reasonable attorney's fees and costs on appeal.

Section 3. Violation and Enforcement of Restriction and Covenants.

(a) The Association and each lot owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the rights to do so thereafter. In any action for enforcement brought hereunder, the prevailing party shall be entitled to reasonable attorneys fees including attorneys fees through appellate proceedings.

(b) Upon learning of a violation, the Association shall issue the Owner a written notice either by certified return receipt mail or posting on the property requesting the Owner to cure the violation and advising the Owner that a fine will begin to accrue if the violation is not cured within 30 days

of receipt of the notice and that the Owner's Lot may be subject to a lien for such fine together with any costs expended by the Association for notice, investigation, attorney's fees and costs, and curative actions, the Association may take, including but not limited to demolition and/or storage costs for any construction or items placed on a Lot in violation of this Declaration.

(c) Should the violation not be cured within said 30 days receipt of said written violation, a fine shall automatically begin to accrue and continue until the violation is cured. The amount of the fine at the time of filing this Declaration is \$50.00 per day, but said amount may be increased from time to time by the Board of Directors without vote of the Association or amendment of this Declaration.

(d) The Association shall have the authority but is not obligated to cure any violation through whatever action it deems reasonable and the expenses thereof shall be chargeable to the Owner of the Lot or Lots on which or in connection with the violation has occurred. Said expense shall be payable forthwith and upon demand. In the event the Association has expended funds in connection with curing such violation, then and in such event the funds so expended shall become an assessment upon the Lot or Lots enforceable as provided herein for unpaid assessments.

(e) The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of the surface water or stormwater management system.

Section 4. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any recorded mortgage. Sale or transfer of any Lot shall not affect any assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Failure to pay Assessments does not constitute a default under the terms of a federally insured mortgage. Nothing contained herein shall require mortgages to collect Assessments.

ARTICLE VII CONSERVATION EASEMENTS

Section 1. Conservation Easement Areas.

Pursuant to the provisions of Section 704.06, Florida Statutes, Developer hereby voluntarily grants and conveys to the St. Johns River Water Management District (the "District") a conservation easement in perpetuity over the Conservation easement Areas (the "Conservation Easement"), shown as Tract P-2 on the Recorded Plat of Monterey Cove. - (g) Acts or uses detrimental to such retention of land or water areas.
- (h) Acts or uses detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance.

1.3 Responsibilities. The Developer, its successors and assigns, are responsible for the operation and maintenance of the Conservation Easement Areas. In addition, the Developer, its successors and assigns, are responsible for the periodic removal of trash and other debris which may accumulate in the Conservation Easement Areas.

1.4 Reserved Rights. Developer reserves unto itself, and its successors and assigns, all rights accruing from its ownership of the Conservation Easement Area, including the right to engage in or permit or invite others to engage in all uses of the Conservation Easement Area, that are not expressly prohibited herein and are not inconsistent with the purpose of this Conservation Easement.

1.5 Rights of District. To accomplish the purposes stated herein, the Developer conveys the following rights to the District:

1.6. District's Discretion. District may enforce the terms of this Conservation Easement at its discretion, but if Developer breaches any term of this Conservation Easement and District does not exercise its rights under the Conservation Easement, District's forbearance shall not be construed to be a waiver by District of such term, or of any subsequent breach of the same, or any other term of this Conservation Easement, or of any of the District's rights under this Conservation Easement. No delay or omission by the District in the exercise of any right or remedy upon any breach shall not be obligated to Developer, or to any other person or entity, to enforce the provisions of this Conservation Easement.

Nothing contained in this Conservation Easement shall be construed to entitle District to bring any action against Developer for any injury to or change in the Conservation Easement Areas resulting from natural causes beyond Developer's control, including, without limitation, fire, flood, storm and earth movement, or from any necessary action taken by Developer under emergency conditions to prevent, abate or mitigate significant injury to the Conservation Easement Area or to persons resulting from such causes.

1.9. Amendment. The provisions of this Conservation Easement may not be amended without the prior written approval of the District.

1.10. Successors. Nothing contained in these covenants and restrictions shall be construed to restrict the foregoing rights of the Developer.

Section 6. Further Restrictions, Conditions and Dedications.

Developer reserves the right to impose further restrictions and to grant or dedicate additional easements and rights-of-way on any Lot in the Subdivision owned by Developer and on the Common Areas, so long as the easements granted by Developer shall not materially or adversely affect any improvements or unreasonably interfere with use of the Common Areas.

ARTICLE IX
GENERAL PROVISIONS

Section 1. Severability and Interpretation.

Invalidation of any of these covenants or restrictions by judgment or court order shall in no way effect any other provisions hereof, which shall remain in full force and effect. Should any conflict in interpretation arise between the provisions of this Declaration and of the Articles of Incorporation, the provisions of this Declaration shall prevail.

Section 2. Duration, Modification and Amendment.

Except as the same may be changed, modified or amended as provided for hereafter, the covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date of this Declaration is recorded, at which time they shall be automatically extended for two (2) successive periods of ten (10) years, unless modified or terminated by a duly recorded written instrument executed in conformance with the requirements described below. Such action may be taken at any annual or special meeting of the Association or by certified written ballot, so long as written notice of such proposed action or amendment is given 30 days prior to the meeting or scheduled vote. Any such proposed action must be initiated in the same manner as amendments to the By-Laws of the Association. No such waiver, abandonment, termination, modification or alteration shall become effective until a properly executed instrument in writing shall be recorded in the Public Records of Brevard County, Florida.

The foregoing notwithstanding, any amendments to the covenants and restrictions which alters any provision relating to the surface water or stormwater management system, beyond maintenance in its original condition, including the water management portion of the Common Areas, must have the prior approval of the St. John's River Water Management District.
